

John 17:20-26 - Jesus Prays For The Church

“My prayer is not for them alone”

- Jesus prays for the next generation of believers.

What the first generation believes...

...the second assumes...

...the third forgets...

...the fourth denies.

“I pray... that all of them may be one.”

- Jesus’ prayer: unity in the church
- The purpose of unity: that the world may believe
- Unity in community – the gospel breaks down barriers (Eph 2:11-22)
- What might that look like at TTG?

“I have made you known to them, and will continue to make you known”

- God’s love transforms us to be like him
- We show God’s love through our lives together.
