

A church shaped by Grace - Gospel Ambition—Romans 15:14-24

1. Who we are as those in Christ (verse 14):

Full of goodness

Complete in knowledge

Competent to instruct one another

But how can we understand all that?

2. God's grace shown to Paul:

Paul, the minister to the Gentiles

Proclaiming the gospel is a good gift, not a burden.

Paul who glorifies in Christ and his work

Paul who gives himself to proclaim God's glory

3. Application: Finding where we fit in God's purposes

Your mission is not the same as Paul's

Paul's vision is for what the church is becoming

We have everything that we need to do God's work as a church (verse 14)
