Romans 5:12-21 – Living Under Grace – Why Grace is stronger than sin

The one division that matters!

... a division that affects all of humanity who have ever lived ... for all eternity.

“OT Law Keeping” verses the “law free” gospel.

‘Law keeping gospel’

... no cheap grace.

... what you must do

... does not fix the problem of DEATH

All under the reign of death

Romans 5:12 ... death has come into the world.

... we participate in Adam’s sin

Romans 5: 15 ... the act of one has bought death to us all.

Does the LAW reverses the effect of this sin?

Romans 5:20 ... the law exposes how sinful we really are.

The gift that changes everything

Romans 5:15 ... impacts MANY.

Romans 5:16 ... brings JUSTIFICATION

Romans 5:17 ... brings LIFE.

Not universal salvation ... brings life to those who receive it

Grace is stronger

His grace is much stronger than the reign of death.

So is there any sin in your life that God cannot forgive?

... Where sin abounds... grace abounds all the more.

So does that mean sin does not matter?

A warning

“If God’s grace increases when we sin why not keep sinning so that God’s grace might increase all the more?”
