

Welcome to Ephesians...

- To the saints in Ephesus...
- Theory and practice

Praise be...

- This is an invitation to praise (but not a command)
- What is praise?
- Why is he doing it?

Three reasons for praise:

Reason 1: We're chosen

Reason 2: We're redeemed

Reason 3: We know where things are going

How should we respond?

Response 1: He wants us to know how rich life is in Christ

Response 2: He wants to assure us of our relationship with God

Response 3: He wants us to look and live deeper into the Christian life
