

“If it makes you happy...”

What shape should the Christian life take?

- Doesn't God want me to be happy?
- Where's the line between caring for ourselves and indulging ourselves?
- Jesus' approach: Hebrews 12:2

Loving God, loving God's law

- Psalm 19:7-9... God's law reveals his heart
- Psalm 19:10-11... Joy is not in whatever makes you happy, but in knowing God
- Psalm 19:12-13... the 'secret' to getting life right is prayer and trust

“The law of the Lord is perfect...”

- How might this work in our own lives?
- How might this shape our community?
- How might this enable us to make God known?
