

Jesus, Man and God

Matthew 14:1-36

Jesus: A prophet without honour

Herod and John the Baptist

A very 'human miracle': Feeding the 5000

- Jesus' desire and need for rest
- Jesus' compassion as a model for us
- Food ... a very human need

A very divine miracle: Walking on Water

- Jesus comes out to the disciples
- Jesus the divine ruler: "It is I – don't be afraid"
- Peter's faith and doubt on display (v29-31)

What now for us?

- The call on believers to trust Jesus ... with everything!
- What about doubt? ... What do we do when we find it hard to trust?
