

**So what is Kids Club all about?**

Kids Club is run by leaders from Tea Tree Gully Anglican Church and is an after school, Bible-based program for junior primary and primary school aged children.

We aim to provide a safe, fun and friendly environment where children and their families can enjoy themselves and have the opportunity to hear about Jesus Christ and the hope he brings to our lives.

Our program includes afternoon tea, craft activities, Bible stories and games.

As leaders, we welcome your comments or suggestions. All our leaders have undergone child protection training.

Please contact Rick by phone on 8264 3736.

## Parents: 'Escape' for Coffee!

While your kids are occupied at Kids Club, we'd love you to join us at our parents' Coffee Club.

With quality coffee from our espresso machine, Kids Club can be a relaxing time for parents!

We'd love to see you for coffee and a chat whilst Kids Club is running.
