

01 - Genesis 1-2 ... God Creates**The book of Genesis**

A few dangers

... not written to just answer the issues of our time and age

... not given to Adam and Eve as a manual

... forgetting the context

Gen 1-2

a) God creates ...

... out of nothing.

... always existed.

... YHWH, God's personal name.

... all that exists

... should impact who they worship.

... is the author of time.

b) With a word...

... effortlessly with just a word.

... the God who speaks to humanity.

c) Humanity is special in God's creation

... we are created in the image of God.

d) God rests ...

... God's aim for both creation and humanity.

So far ...
