

13 - Revelation 21-22 - Our new home

What do you imagine heaven to be like?

What heaven is like

1) There are new things and the former things have passed away

‘new heavens and a new earth’

... a bride who is a city dressed beautifully for her husband

... God is now dwelling with humanity

... no more death...or mourning ...or crying .. or pain.

... water without cost is offered to the thirsty

2) The new place?

... it is a picture of the church

- 1 King 6:20... the holy of holies

... only for those whose names are in the book of life.

... bountiful food and abundant provision for the bride of Christ in the new heavens.

... the curse is undone

... where we will see the face of God.

A final warning and invitation

For us today

1) Good at the front door of your house

... the divinity of Jesus

2) Keep going / trusting

3) Keep proclaiming

4) Be excited

1 Cor 2:9 ***“What no eye has seen what no ear has heard and what no human mind has conceived, the things God has prepared for those who love him”.***
