

Psalm 33 – Sing for Joy

Be joyful!

- What does that mean?
- What if I'm not feeling it?
- Can we really rejoice on demand?

The "why" of joy

- God is faithful
- The illusion of strength
- We're under "the eyes of the Lord"

The "what" of joy

- We wait in hope
- We rejoice in him, not an idea or feeling
- God's love is with us
