

**02 – Our Inability to Worship****That's (almost) impossible**

(pictures)

**A New Series**

John 4 ... God is seeking true worshippers of him.

... worship him in Spirit and in truth.

- through Jesus' saving work on the cross AND
- in our obedience to God's word

... without the intervention of God we could NEVER worship God

**A problem for all of history**

... a VERY brief overview of all the OT.

... only reveals broken, sin affected worship of God

How is it that anyone can rightly worship God

... God has enabled us to do what we could never accomplish by ourselves.

- Romans 3:10-12
- Romans 3:21

God enables us to worship him...

**But what happens next?**

... need to KNOW God to worship God properly.

... in the bible God has revealed to us what the ongoing worship of God should look like.

John 14

2 Tim 3:16-17

**4 wrong ideas**

Our inability to worship

**“Worship needs to be driven by emotions not words”.**

**“People just argue about the bible”**

**“Worship is about the Spirit and not the Word”**

**“The bible is too hard to understand.”**

**Where to from here?**

**... passionately worship God who has saved us**
