

09 – 1 Timothy 5:17-6:2 – Godly living with the church family - Supporting leaders and working faithfully in the workplace**Paying your pastor?**

...who are the Elders?

= “overseer”

... someone who teaches God’s word AND applies God’s word to God people

... those who teach you from God’s word deserve double honour

Note – both Deut 25:4 and Luke 10:7 = Scripture

For us today

How much do you pay?

... it can be misused.

Does ‘double honour’ simply mean double pay?

How much is enough?

The sinning elder – v 20

... do not entertain a simple accusation from one person

... without partiality

A possible danger ...

... verse 22 ... do not appoint or set people aside to this role of elder hastily.

... verse 24 ... Some things can be hidden for a while but more often than not their sin catches up with them.

Verse 23...

Working at work for God's glory

... 1 Tim 6:1-2 speaks about slaves and masters.

“Does this mean that God is not concerned about slavery?”

... how does this relate to us today?

To the boss ... be devoted to the welfare of your slaves (workers)
