

Godliness and contentment - 1 Timothy 6:3-10

Main Point: Godliness & contentment is a Jesus focussed way of life

When have you been most content?

Two Perspectives

1. False teachers

- Using "Godliness" for financial gain.

- Leads to a spiral of unhealthy interests...

2. Godliness attached to contentment

- Looking at it from the right angle. (v.7 & Luke 12)

- Now you can approach money with the right motives

Application:

Finding ultimate contentment in Jesus

A lifelong commitment to finding contentment in Jesus

Wrestle with your attitude towards money
