

## Freedom and rights we have as Christians

Intro: freedom the untouchable ideal.

4 Questions to wrestle with...

1. How do we define freedom?

2. How free is humanity?

3. How do we relate our slavery to sin with freedom?

4. What is Christian freedom?

3 Implications..

1. Our rights are not the ultimate pursuit. Being in Christ is.

2. Thoughtful engagement with the world and its corrupted view of freedom is secondary, but helpful.

3. Freedom to follow Christ leads to persecution not comfort.
