

**11 – Galatians 6:1-10 – How to live by the Spirit**

How are you going walking in step with the Spirit?

**Galatians so far****The passage today**

Galatians 6:1, let me read it again for us, “Brothers and sisters, if someone is caught in a sin, you who live by the Spirit should restore that person gently”.

**Restore gently**

... putting things back to the way they were.

**Carry each other's burdens**

Verse 2

**Carry your own pack**

Verse 5

...like a day pack

verse 4... not a cause for either shame or pride

**Out of left field?**

Gal 6:6

... the need to support economically those who teach you God's word

... economically support paid “full time” bible teaching pastors to instruct them well in God's word.

**You reap what you sow**

... it is no good saying that you are seeking to walk in step with the Spirit if you constantly expose yourself to thing opposed to what the Spirit desires.

Gal 5:24 ... crucify our sinful desires of the flesh.

= actively put to death in an extreme way the desires of the flesh.

...verse 4, we only know our own motives as we struggle against sin and we can only judge our own actions

**Do not get weary**

**verse 9-10 ... we are encouraged NOT to grow weary of doing good.**

**Firstly, ... regarding the battle with sin we face together.**

**Secondly, ... encouraging us not to grow weary in the battle against sin you face personally.**

**For us today**

**When it comes to responding to a fellow believer caught in sin.**
