

## So what is Generators Kids Club all about?

Generators Kids Club is run by leaders from Tea Tree Gully Anglican Church and is an afterschool, Bible based program for junior primary and primary school aged children.

Kids Club is all about fun, fellowship and faith where kids can enjoy themselves and have the opportunity to hear about Jesus Christ and the hope he brings to our lives.

Our program includes craft activities, Bible stories and games.

As leaders, we welcome your comments or suggestions. Please contact Rick by phone on 08 8264 3736.

Who are we?

We are the body of Christ  
Growing under His Word  
Reaching people to know Christ
